

June Family Adventures

Play beach ball volleyball in your backyard.

Take a trip to a nearby nature center. Most are free or inexpensive to visit. Learn about the wildlife and plants in your part of the world.

Have a letter writing evening and write letters to faraway family and friends.

Go to the grocery store or farmer's market and buy a few new-to-you fruits. Have a family taste test. Maybe you'll find a new favorite.

Trace each other's shadows on the driveway and make a silly shadow family.

Go stargazing.

Lie under a tree and look up. What do you see?

Learn to make play dough together. Gather up some loose parts and start creating.

Discover a new genre of music together through books and music. Your local library is a great resource.

Explore a pond together. Learn about the animals and plants you see.
